### **JOB EVALUATION**

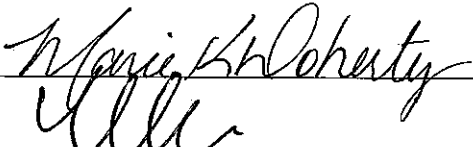

The parties agree that all CUPE positions (Inside and Outside) should be evaluated under a common Pay Equity/Job Evaluation Plan to ensure consistent and appropriate pay treatment for all CUPE members; and that the City agrees to adopt the CUPE Gender-Neutral Tool, to be developed and implemented to evaluate all CUPE positions in the City and recommend an appropriate pay rate system before December 31, 2025.

The Parties further agree that the following terms will apply:

- a) As a general principle, compensation shall be maintained as negotiated in Collective Bargaining. Rates of pay for individual positions may increase or decrease in accordance with the new Plan, but the total compensation across the CUPE Bargaining Group shall be maintained;
- b) The configuration of current pay rates will be maintained as per the CUPE Collective Agreement (i.e. where applicable: a progressive wage grid by years of service, pay linked to job qualifications, single job rates, probationary rates, etc. for the various job groups as per the current Collective Agreement);
- c) It is agreed that no incumbent employees at implementation shall be paid at a lesser rate due to a re-evaluation of their position. Such positions shall be dealt with through an agreed Terms of Reference;
- d) Increases and decreases to the job rates of pay for each position shall be effective when the new Plan is implemented. The implementation shall be negotiated by CUPE and the City.
- e) The parties agree to utilize the Terms of Reference developed in September 2018 (subject to housekeeping amendments) for the Job Evaluation review, implementation, and maintenance.
